SECTION -3: TERMS OF REFERENCE (TOR)

3.1 Introduction

Biomedical Waste Management services are one of the most important support services in the present day hospitals. The Biomedical Waste Management services include a wide range of activities and services pertaining to collection, transportation, storage, treatment and disposal of Bio medical wastes & general wastes generated in the hospital on day to day basis following the due procedures

3.2 Functions of Biomedical Waste management Services

The basic functions include:

1. The selected Agency / Organization should depute qualified and dedicated staff (trained in the field of Bio Medical Waste management or having experience in handling the biomedical wastes) to manage the Bio-Medical Waste Management activity such as collection, transportation, storage, treatment & disposal in the Hospital premises (offsite/onsite). It will also coordinate with the Bio-Medical Waste management committee of the Hospital and be responsible for supervision of the said work. The work man should be provided with mobile number (24 X 7 functional) for emergency need at any time by the Agency.
2. All the generation points of BMW at Health care Units (DHH/SDH/CHC) must have colour coded container/bins with cover. The designated bio-degradable colour coded poly bags with bio hazard symbol will be put in respective colour coded container / bins and lifted by the OS agency/organization when they become two third full. Bags are to be closed by tying a string, weighed and recorded and then transported to the temporary storage area (onsite/offsite) for treatment and disposal utilizing the BMW equipment (Onsite/Offsite). Each bag shall be labeled as per the Schedule III & IV of the BMW (H&M) Rules 1998. The colour coded bags or containers / Bins shall be strong enough to withstand any possible damage that may occur during loading, transportation or unloading of such bags/containers. These containers shall also be labeled as per the Schedule - III of the rules. Sharps must be collected in Puncture Proof Container containing disinfectant after their mutilation with needle syringe terminator/Hub cutter. Mutilated infected plastics must be collected and properly disinfected/autoclaved by the OS agency. The person identified for collection of Bio-Medical Waste must carry a register with him to maintain the record such as name of the generation point, type and quantity of waste received, signature of the authorized person (I/C sister of the ward), day and time of collection, etc. A similar register is to be maintained by Matron for BMWM.
3. Agency has to give attention that no Untreated Biomedical Waste should be kept in the hospital premises beyond 48 hours. In case it is beyond 48 hrs, it must obtain the permission of OSPCB for the purpose.
4. The collection and transportation of Bio-Medical Waste shall be carried out in a manner so as to avoid any possible hazard to human health and environment. The timing of collection of the waste will be preferably before 8.00 AM & 4 PM daily.

- a) The Bio-Medical Waste collected in biodegradable Poly-bags / containers shall be collected from generation points of HCEs (DHH/SDH/CHCs) and transported to the nearest BMW Management unit located at DHH/SDH or offsite BMW treatment plant in a fully covered vehicle. Such vehicle must be labeled with bio hazard Symbol and dedicated for transportation of Bio Medical Waste only and to be provided by the OS Agency Organization..
 - b) The Agency/Organization must collect the Bio-Medical Waste from the DHH/SDH/CHC & other peripheral Govt. Hospitals in a specified container. For this purpose the respective Hospitals In Charge to sign a MOU with OS Agency and CDM & PHO of the respective district regarding the requisite fee as finalized in the above tender process. (for the transportation charges per KM and service charges per bed per day).
 - c) The requisite out sourcing charges as per finalization of rate contract to be paid by the concerned CDM & PHO or SDMO or CHC MO I/C as per district BMWM Committee decision.
 - d) For collection of Bio- Medical Wastes from DHH/SDH/CHCs, it should be kept in mind to minimize the K.M. i.e. the route map should be justified in such a way that it covers maximum to maximum health institutions in one route during travel of the collecting vehicle for BMW.
5. Agency will be responsible for collection, transportation, temporary storage, treatment & disposal of general waste by coordination with Municipality/NAC/local authorities of the district.
 6. As per the provision of Biomedical Waste Management & Handling Rule-1998. It is mandatory to segregate, collect, transport, store, treat & dispose BMWs generated from the HCEs.
 7. It is the responsibility of agency to provide the bio degradable poly bags & other consumables. However the Health Institutions has to ensure placing of colored coded container/bins with bio hazard symbol at the generation points in the hospitals.
 8. Agency/Organization will have to provide all **personnel protective gears & immunize its workman for handling of BMW such as -Apron, Gum Boot, Mask, Cap, and goggles, Rubber Utility Gloves and Hepatitis B, TT Injection as per requirement. The documentary evidence of the same need to be submitted to the concern Authority.**
 9. The BMW equipment such as Autoclave & Shredder located at DHH/ SDH / IDHs will be utilized by the OS agency. Minor repairs & regular maintenance will be made in consultation with the supply firm while the **electric charges will be borne by the agency.** A separate register for registering complains regarding the BMW Equipment may maintained by the OS agency.
 10. The Contractor / Outsourcing Agency shall maintain all the records related to Bio-Medical Waste Management of all the units. Daily records shall be maintained for the waste accepted and treated waste removed from the site. This record shall include the following minimum details. **The daily waste collection records need to be counter signed by the concern authority.**
 - a) Waste Accepted: waste collection date, name of the generation point, waste category as per the rules, quantity of the waste, vehicle number and receiving date (at site).
 - b) Treated waste removed: Date, treated waste type, quantity, vehicle number and location of disposal.

 Chief Dist. Medical &
 Public Health Officer,

For the purposes of this contract, "Force Majeure" means an event which is beyond the reasonable control of a Party, is not foreseeable, is unavoidable, and not brought about by or at the instance of the Party claiming to be affected by such events and which has caused the non-performance or delay in performance and which makes a Party's performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances, and includes, but is not limited to war, riots, civil disorder, earthquake, fire, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial action (except where such strikes, lockouts or other industrial action are within the power of the Party invoking Force Majeure to prevent), confiscation or any other action by Government agencies.

In such circumstances of emergencies and Force Majeure Event, if the Performance Standards are not complied with because of any damage caused to laundry services or any of the Project Facilities or non availability of staff, or inability to Provide services in accordance with the Performance Standards as a direct consequence of such Force Majeure Events or circumstances, then no penalties shall be applicable for the relevant default in Performance Standards and would be applied to such particular defaults. Further, unless the Force Majeure event is of such nature that it completely prevents the operation of services, a suspension or failure to provide laundry Services on the occurrence of a Force Majeure event will be an Event of Default and the District authority may terminate this Agreement without any termination payment being made in respect thereof.

The failure of a party to fulfill any of its obligations under the agreement shall not be considered to be a default in so far as such inability arises from an event of force majeure, provided that the party affected by such an event has taken all reasonable precautions, due care and reasonable alternative measures in order to carry out the terms and conditions of the agreement and has informed the other party as soon as possible about the occurrence of such an event.

4.11 Settlement of Dispute

If any dispute with regard to the interpretation, difference or objection whatsoever arises in connection with or arises out of the agreement, or the meaning of any part thereof, or on the rights, duties or liabilities of any party, the same shall be referred to Committee constituted at the District level for decision.

4.12 Jurisdiction of Court

Legal proceedings if any shall be subject to the concerned District jurisdiction only.

4.13 Right to Accept and Reject any Proposal

The District Authority reserves the right to accept or reject any proposal at any time without any liability or any obligation for such rejection or annulment and without assigning any reason.

Chief Dist. Medical &
Public Health Officer,
Subarnapur
