No.V-SME(P)-12/2015 6324 **/SME** After the implementation of the RTE Act, it is mandatory on the part of the State to provide Free and Compulsory Education to the children in the age group of 6-14 upto Class-VIII level. Therefore, it is the responsibility of the state to provide safety net for the welfare of the students.

There is no coverage for elementary students i.e from class I to VIII under any Insurance policy. The numbers of students reading from class-I to VIII constitute around 57.00 Lakh.

There is a student Safety Insurance Scheme in place for students of Secondary Education in the State. The students strength at Secondary level is about 12.00 lakh. As per the guidelines of the Policy each student contribute Rs.2/- per annum towards premium. This policy is basically administered by the District Education Officers but there is no detailed information about the performance of the policy at the district level. Experience shows that the claims of compensation are very few and delayed.

These students often meet with serious accidents during transportation, while playing in the school buildings, due to natural calamity and food poisoning etc. In recent past many unfortunate incidents have taken place for which many PILs have been filed before Hon'ble High Court and in Human Right Commissions. The Hon'ble Courts in many of the decisions ordered the Department to disburse the compensation towards the victims. The State Govt. has therefore, paid compensation amount from the Chief Minister Relief Fund and in form of decretal dues . In view of this a full fledge umbrella scheme to cover the students of Govt. & Govt. Aided schools in the State is felt necessary.

Considering these aspects Govt. after careful consideration have decided to implement the scheme to provide ex-gratia grant for the students who met with accidents in the schools or while travelling to and from the schools and when involved in school related activities.
